

TO WHOM IT MAY CONCERN

I R.RAJESH KUMAR Senior Manager (Methods Engg), Helicopter Division, writing to you with regard to Mr. VISHAKH C (HAL Badge no. 3488/902410), who has requested that I write a letter of recommendation on his behalf. Mr. VISHAKH C and I discussed his recent decision to pursue graduate study and I support his decision and strong desire to take his dedication and skill to the next level.

I have worked with Mr. VISHAKH C for 1 year from 20th August, 2020 to 21st September, 2021. Mr. Vikash was offered the position of Graduate Apprenticeship Trainee and posted Methods Engineering Department (6421) specifically in CNC Programming Cell. He was engaged in the Preparation of Process Sheet for Helicopter Transmission components mostly of Spiral Bevel, Helical and Spur gear types of components which are assembled in Helicopter Transmission Gear Box. Following were the duties he involved. Study of component drawing, Material specification, Special process involved and Preparing CNC Programming of the above gear components, Casings and Structural assembly parts of Helicopter using AutoCAD and Unigraphics Software. He was also involved in Preparation of Process Planning (Routing), Inventory creation, Product Structure creation etc required for Machine Shop.

During his tenure he was very sincere, dedicative and hard working in nature. He has excellent proactive and positive attitude towards work. He had demonstrated good team spirit involved in engineering supplier chain activities with expertise in ERP IFS applications. In addition, he is an excellent communicator coordinating and solving the technical issues with department like Production Engineering, Tooling and Design Engineers. He has the skills and personality needed to be a leader.

While Applicant's leaving our company to attend graduate school is a loss to us, I have every confidence that Applicant will thrive in a graduate school setting. Applicant is an intelligent, committed, and inquisitive individual. I believe that he will be an asset to your program.

Sincerely,

 30/12/2021
